1 4. Respondent acknowledges there is current disciplinary action against her license, that
2 on June 3, 2009, an Accusation was filed against her and on December 21, 2009, a Decision was
3 rendered wherein her license was revoked, with the revocation stayed, 3 years probation with a
4 psychiatric evaluation, medical evaluation and treatment and standard terms and conditions.

5 a) The current disciplinary action provides in pertinent part, "Following the
6 effective date of this decision, if respondent ceases practicing due to retirement, health reasons, or is
7 otherwise unable to satisfy the terms and conditions of probation, respondent may voluntarily tender
8 his certificate to the Board." (Case No. 10-2008-194503)

12 to surrender her wallet certificate, wall license and D.E.A. Certificate(s).

13 7. Respondent hereby represents that she does not intend to seek relicensure or
14 reinstatement as a physician and surgeon. Respondent fully understands and agrees, however, that if
15 Respondent ever files an application for relicensure or reinstatement in the State of California, the
16 Board shall treat it as a Petition for Reinstatement of a revoked license in effect at the time the
17 Petition is filed. In addition, any Medical Board Investigation Report(s), including all referenced
18 documents and other exhibits, upon which the Board is predicated, and any such Investigation
19 Report(s), attachments, and other exhibits, that may be generated subsequent to the filing of this
20 Agreement for Surrender of License, shall be admissible as direct evidence, and any time-based
21 defenses, such as laches or any applicable statute of limitations, shall be waived when the Board
22 determines whether to grant or deny the Petition.
